

CREATE A PIXEL ART VIDEOGAME CHARACTER

Guidance for Grown Ups!

USING PISKEL :

Piskel is free and easy to use and can be downloaded for offline use.

It is best used on a computer or laptop with a mouse. It can be tricky for little hands, but it's also great practice if they are learning to use a computer!

Find Piskel at - www.piskelapp.com

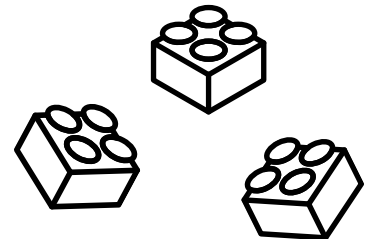

IDEAS AND ACTIVITIES :

There are lots of ways to explore pixel art away from the computer too. Get out the colouring pencils and get creative!

Build it!

Use lego, beads or other building blocks you may have at home to recreate familiar characters or create new ones!

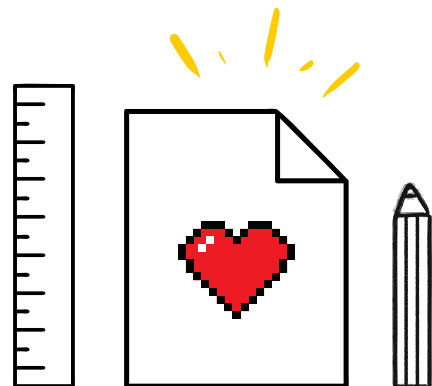

Draw it!

Create a self portrait using pixels, or create of portraits of each other!

Make it!

Use graph paper if you're unable to print out worksheets, or create your own using a pencil and ruler.

Share it!

Show us the wonderful things you've made together by tagging us online! If you come up with your own ideas let us know so we can share them too!
